“ Bill and I went to school K thru 12 together. I have lots of memories of things we did together growing up and as adults. Played basketball and softball, worked together for awhile, fished and had quite a few happy hours over the years!

It's never easy losing a friend that you've had for a lifetime, but hope you are resting in peace now Hoshy! I'll cherish the memories!

“ Bill was such a witty guy. I always looked forward to seeing him. He could always make me smile or just plain laugh.

He had so much natural talent, He took a picture of a creek on our grandparents property, it was so beautiful!! Our grandma hung it on the wall by the telephone. I used to stare at that picture for such a long time, wondering what he was hearing and seeing around him as he waited for the right moment to snap the picture. I am sure he is sitting there right now.

He also had a great ability of drawing things free hand, and playing music by ear. I envied him so much, I wished I could have inherited his talents too.. I always loved his laugh, I knew what he was thinking when he laughed or chuckled and most the time I was thinking along the same lines.

He was a true hearted person.

I will never forget him. Janie
