“ To Aunt Marilyn and Family, My deepest sympathies go out to you and your family. Uncle Dan was the most kind hearted soul I know and I will always remember his smile as well as his great sense of humor. Also sending my best to all my cousins. Aunt Marilyn you are in my prayers as well as my thoughts daily! Love, Vanessa

“ My deepest sympathy, and prayers go to my Aunt Marilyn, who was the most caring, and always made me laugh, also to my favorite childhood summertime cousins. Uncle Dan was a gentle soul, and like his daughter Sherry, he will always hold a special place in my heart. Until we meet again, keep everyone laughing, as you did with me.
In loving memory your niece Mary
