“ To say that Delores raised me, would be an understatement. I'm not exactly sure where I picked up on calling her "Grandma Delores" all those years ago, but it stuck and never called her anything else. As my babysitter, it was more then just the 8am-5pm job. I spent so many nights and weekends at their house with my dear friend Danielle and even traveled with Grandma Delores to visit their family in Arizona a couple of times growing up-truly treasured memories and more!! I will miss her dearly, but remember her fondly forever <3 Much love and condolences to the family.
