“ Dear family, I was saddened to hear about your Mother's death. Your Mom and my Mom (Adeline Hotovy Petersen) were so funny together. Your Mom came dressed up to my parents 40th wedding anniversary years ago in a costume that covered her face (bride like). It was so funny and something both my parents laughed about many times. They seemed to have a friendship that allowed all their silliness to shine through and they weren't afraid to have fun. I think they are now laughing together in heaven and oh, the stories they are sharing with each other again. May God Bless you at this difficult time. Chris and family...deepest sympathy...and may you find comfort in the memories during the difficult days ahead. Mary Lou Petersen Vossler

“ To Dorothy's family I extend my deepest sympathy. I look at the picture posted and I can hear her voice so clearly. She and her sisters we friends of my Mom's (Adeline) and when together, oh the laughter! I received a picture of my mom and 2 Timms girls playing in a chicken yard when my mom died....it is still one of my most cherished pictures. I can only believe she and Mom are belly laughing in heaven and sharing old memories once again. May you find comfort in the memories you share with family and friends during this most difficult time. Please know I will keep you in my thoughts and prayers. May God Bless you!
